

Zone A Resident Placard Instructions

- Neighborhood protection barricades will be put in place approximately four hours prior to large-scale stadium events and removed approximately 2 hours after they end.
- Please display your placard on your vehicle's rearview mirror during stadium and special events, when temporary barricades and/or area traffic restrictions are erected in your neighborhood. **The placards issued to you last year can be used this season.**
- **Please be prepared to stop at the barricade** and allow the person staffing the barricade to see the placard before you enter the neighborhood. The Zone A hotline will be available the day before and the day of an event. Call 623-930-3214 to speak to a staff person for updates or questions, or visit: www.GlendaleGotGame.com
- If you lose and/or need additional placards, please call 623-930-3686.
- In the event you forget or lose your placard during an event, you will be asked to show the barricade attendant proof of residency. Your driver's license will be the most convenient form of identification.
- Vehicle placards can only be used for entrance into your neighborhood. They cannot be used for access into any pre-determined parking areas related to Glendale stadium events and/or Glendale arena events. Placards are being distributed by street address and are not transferable. Please do not give your placard to anyone not residing at your address.
